The paper used in our notebooks is FSC certified, environmental friendly and from well-managed sustainable sources to protect world's forests.

The leather used in our notebooks is certified and tested as completely not hazardous for human health.

# INTRO DUCTION

Cherrynote® is the result of public demand for fashion, high quality and classy notebooks. The brand is demonstrated as a unique, creative and luxurious brainstorming and note-saving tool. Cherrynote® brings back to life the sense of fashion and artistic tradition by creating extraordinary designs with a perfected finish.

The brand diversifies from corporate to retail sectors and its collections are known as open platforms for creativity. The cherrynote® corporate collection can be customized to transmit corporate messages at many levels. This includes digital messages as invented in the cherrynote® collection which was created by the cherrynote® brand holder, SAB America, Inc.

Cherrynote's retail collection is designed to suit each and every person's taste. This was successfully created through our expertise in design and production techniques.

Cherrytech is part of the corporate and retail collection that combines technology with notebooks by integrating a built-in LCD screen to convey or display messages and commercial ads of companies, entities and to end users.

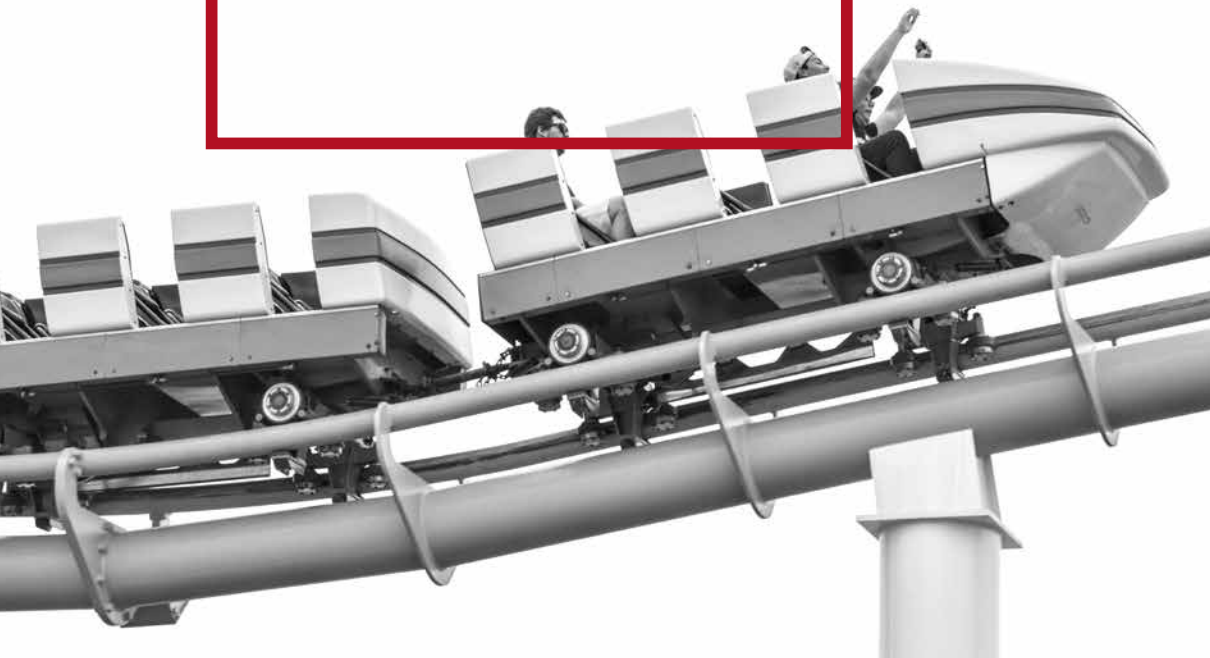

Refining notebooks' quality and providing customers worldwide with cherrynote® notebooks signals out the brand as a notebook with a cherry on top.

# YOUNG & DARING IN ITS STYLE

The brand is new, fresh, yet elegant and luxurious with a twist. Targeting many sectors of society, each collection is speaking the language of its target audience. Girls, boys, young and old, no matter the age or the style, there is always a notebook style that suits various tastes and tendencies.
